

CANTILEVER LIFT WITH 1 TONNES CAPACITY FOR LIGHT AND MEDIUM WEIGHT VEHICLES

Slim and lightweight design makes this the first choice for 5-12 t urban distribution vehicles when payload is the primary concern.

Comes with powder painted high strength steel frame and aluminium platform in different sizes and options.

A lightweight lift designed to maximise payload and vehicle up time.

SUITABLE FOR

- Vehicle hire
- Wholesalers
- Highways
- Horticulture
- Laundries
- Parcel deliveries
- Bakeries
- Home delivery services

Light:

236 kg fully equipped including cables, frame mounts and control unit.

Safe:

Slip resistant platform and a rear under-run protection according to the new regulation.

Ease of installation:

Mounting kits for all major truck manufacturers, three-piece fixed and bolted under-run bar, and pre-installed power pack makes the lift easy to install.

Ease of use:

Double acting tilt cylinders ensure speedy loading and offloading regardless of weather or temperature. Quick opening to minimize waiting time.

Low maintenance:

All cylinders fully protected by bellows when lift in stowed position. All cylinders have oil filled piston rod sides for corrosion control.
